

REQUEST FOR BID

El Sauz Water Supply Corporation (Corporation) is soliciting sealed Request for Bids on the following contract:

U-00003334 – TXDOT S.L. 195 WATERLINE RELOCATION PROJECT – FM649 – STARR COUNTY, TEXAS

The project consists of the installation of approximately 676 linear feet of 2-inch CTS waterline, 300 linear feet of 4-inch steel pipe encasement, 2-inch gate valve installation and tie-ins. Bids will be received at the Corporation Office located at 545 N. FM 649, Roma, Texas 78584. BIDS will be received until 10:00 a.m. Central Time, on Friday, September 19, 2025, shortly thereafter all submitted BIDS will be gathered and taken to the Corporation Board of Directors Room to be publicly opened and read aloud. Any BID received after the closing time will not be accepted and will be returned to the submitter unopened. The Corporation reserves the right to reject any or all bids or to waive any formalities in the bidding or to accept the bid that is to the best and most advantageous to the Corporation. Bids may be held by the Corporation for a period not to exceed thirty (30) days from the date of the bid opening for the purpose of reviewing the bids and investigating the bidder's qualifications prior to the contract award. A Prebid meeting is scheduled for Friday, September 12, 2025, at 10 am at the Corporation Office address listed above. Attendance at the Prebid meeting is not mandatory but is recommended. The request for competitive sealed bids including construction documents, project scope, BID schedule and other information that contractors may need in order to respond to the request may be obtained from:

Camp Engineering, LLC
P.O. Box 1623
Combes, Texas 78535
Ph: (956) 375-7655
Campengineering2@gmail.com

Hardcopies of the Contract Documents and Specifications can be acquired by contacting Camp Engineering, LLC at (956) 375-7655 for a non-reimbursable fee of \$50.00 per set. Hardcopies will be mailed upon official request via email to Campengineering2@gmail.com or can be arranged to be picked up at the Corporation office. Please make checks payable to Camp Engineering, LLC and allow a 2-day lead time for production. Because this project qualifies for reimbursement by the Texas Department of Transportation, this project falls under the TxDOT Buy America Guidelines for Utility Accommodations. All product to be utilized in this project that are predominately of steel and/or iron and are to be incorporated into the permanent installation of the Corporation's water facilities must be in compliance with the Buy America provisions of 23 CFR 635.410, as amended.
